Eyes to take you dancing
Mouth to leave your wife
Legs to run away with
And you wonder why?

Heart that makes you bypass
Every other girl
Smile that keeps you grinning
At the madness of this world

But like the blackbird on the wire
I will not take prey on you
You wouldn't want me to for
I am too soft for such a thing

And like the blackbird on the wire
I just watch you by
The tears I knew I'd cry
Fall unnoticed down below

Front to make you happy
Back to make you weep
Lips to keep you kissing
Whilst everyone's asleep

Tears to break a backbone
Laughs to win a war
And people come and ask me
What I love you for?

But like the blackbird on the wire
I will not take prey on you
You wouldn't want me to for
I am too soft for such a thing

And like the blackbird on the wire
I just watch you by
The tears I knew I'd cry
Fall unnoticed down below

And with the tongue built from quicksilver
And the character of steel

They actually come and ask me
How I feel?

But like the blackbird on the wire
I will not take prey on you
You wouldn't want me to for
I am too soft for such a thing

And like the blackbird on the wire
I just watch you by
The tears I knew I'd cry
Fall unnoticed down below, down below
Down below, down below
