Stars shining bright above you
Night breezes seem to whisper, "I love you"
Birds singing in the sycamore tree
Dream a little dream of me

Say, "Nighty-night" and kiss me
Just hold me tight and tell me you'll miss me
While I'm alone and blue as can be
Dream a little dream of me

Stars fading, but I linger on, dear
Still craving your kiss
I'm longing to linger 'til dawn, dear
Just saying this

Sweet dreams 'til sunbeams find you
Sweet dreams that leave our worries behind you
But in your dreams, whatever they be
Dream a little dream of me

Stars fading, but I linger on, dear
Still craving your kiss
I'm longing to linger 'til dawn dear
Just saying this

Sweet dreams 'til sun beams find you
Sweet dreams that leave our worries far behind you
But in your dreams, whatever they be
Dream a little dream of me

Sweet dreams 'til sun beams find you
Sweet dreams [Incomprehensible] behind you
But in your dreams, whatever they be
Dream a little dream of me

Sweet dreams
Sweet dreams
Sweet dreams
