Girl, make a list
Go out and find yourself a new plaything
Oh girl, you need a trip
'Cause he's not worth the misery and pain

So just remember how he would tell you lies
And then pretend that everything was so sweet
No need to sacrifice if you're not satisfied
He's just a canine running 'round on heat

Girl, you must resist
Don't let him squirm his way into your heart
Oh girl, I must insist

You've got to stop the fool before he starts

So just remember how he was so untrue
And all the tacky things he did to you
No need to sympathize 'cause he's not worth the time
You've got to find someone who's true to you

Girlfriend
How could you let him treat you so bad?
Girlfriend
You know, you're the best he's ever had
