Mona Lisa, Mona Lisa, men have named you.
Your so like the lady with the mystic smile.
Is it only 'cause your lonely the have blamed you?
For that Mona Lisa strangeness in your smile?

Do you smile to tempt a lover, Mona Lisa?
Or is this your way to hide a broken heart?
Many dreams have been brought to your doorstep.
They just lie there and they die there.
Are you warm, are you real, Mona Lisa?
Or are you just a cold and lonely lovely work of art?

Do you smile to tempt a lover, Mona Lisa?
Or is this your way to hide a broken heart?
Many dreams have been brought to your doorstep.
They just lie there and they die there.
Are you warm, are you real, Mona Lisa?
Or just a cold and lonely lovely work of art?
