

## Beautiful South "The Table"

This table has four sturdy legs  
A heart of very near wild oak  
When others would have screamed out loud, my friend  
This one never even spoke

I've been sat upon ooh  
I've been spat upon ooh  
I've been treated like a bed  
Been carried like a stretcher  
When someone thinks they're dead  
I've been dined upon ooh  
I've been wine'd upon ooh  
I've been taken for a fool  
Taken for a desk  
When they should have been at school

This table's been pushed against the door  
When tempers, well tempers flare at night  
Banged upon with knuckles clenched my friend  
When someone thinks that they are right

I've been sat upon ooh  
I've been spat upon ooh  
I've been treated like a bed  
Been carried like a stretcher  
When someone thinks they're dead  
I've been dined upon ooh  
I've been wine'd upon ooh  
I've been taken for a fool  
Taken for a desk  
When they should have been at school

Tables only turn when tables learn  
Put me on a bonfire, watch me burn  
Treat me with some dignity, don't treat me like a slave  
Or I'll turn to the coffin in your grave

I've been sat upon ooh  
I've been spat upon ooh  
I've been treated like a bed  
Been carried like a stretcher  
When someone thinks they're dead

I've been dined upon ooh  
I've been wined upon ooh  
I've been taken for a fool  
Taken for a desk  
When they should have been at school

Tables only turn when tables learn  
Put me on a bonfire, watch me burn  
Treat me with some dignity, don't treat me like a slave  
Or I'll turn into the coffin in your grave
