Some people are made of plastic
You know some people are made of wood
Some people have hearts of stone
You know some people are up to no good

But baby, I'm for real, I'm as real as real can get
If what you're lookin' for is real love then
What you see is what you get

What you see
(What you see)
Is what you get now
(Is what you get)

What you see
(What you see)
Is what you get now
(Is what you get)

Honey, what you see is what you get
And if you've found the real thing
It's the best thing yet

Some people are made of lies
Breed them to shame your name
But baby, I have good intentions

But baby, I'm for real, I'm as real as real can get
If what you're lookin' for is real love then
What you see is what you get

What you see
(What you see)
Is what you get now
(Is what you get)

What you see
(What you see)
Is what you get now
(Is what you get)

Honey, what you see is what you get

And if you've found the real thing
It's the best thing yet

But baby, I'm for real, I'm as real as real can get
If what you're lookin' for is real love then
What you see is what you get

What you see
(What you see)
Is what you get now
(Is what you get)

What you see
(What you see)
Is what you get now
(Is what you get)

Honey, what you see is what you get
And if you've found the real thing
It's the best thing yet
