You know your problem  
You keep it all in  
You know your problem  
You keep it all in  
That's right  
The conversation we had last night  
When all I wanted to do was  
Knife you in the heart  
I kept it all in

You know your problem  
You keep it all in  
You know your problem  
You keep it all in  
Midnight, a husband getting ready to fight  
A daughter sleeps alone with the light  
Turned on, she hears but  
Keeps it all in

Just like that murder in '73  
Just like that robbery in '62  
With all these things that have happened to me  
I kept them all in  
Why do you keep on telling me now?

You know your problem  
You keep it all in  
You know your problem  
You keep it all in  
That's sweet  
The conversation we had last week  
When you gagged and bound me up to my seat  
You're right, I do  
I keep it all in

Just like that murder in '73  
Just like that robbery in '62  
With all these things that have happened to me  
I kept them all in  
I kept it all in  
I kept it all in  
I kept it all in

I kept it all in  
I kept it all in  
I kept it all in  
Kept it all in  
Kept it all in
