When the six-winged seraph came to you  
And he said what you are chosen one  
Marked one, perfection  
Fulfillment of humans and symbol of imitation  
Bearer of God's mark the Son  
The human without defection  
You were drowned in happiness and light  
The God!! of thine remember thee  
He is real and pure!  
Nadirof your pleasure were thy your selfness  
Blacken essence falls down  
About immortality you were sure

Bearer of stigma!  
Immortal one  
Imaginary demi-god  
Soon immortality shall gone  
Your life is lies  
From heaven your are  
Came from the skies  
From far far  
But it's was thy dream  
And thou shall die soon  
As neither man haven't seen

Notified by Blind Glory

In thy dreams did you see  
How I've shown thee a sign of death  
How thy spirit is bleeding for me  
Thy imagination is broad less

You are messiah from another realm  
But it's shall disappear soon you don't believe?  
It shall be soon wait and see my dear...  
It's only all from thy imagination, about changes  
Did you remember poetry and humiliation?  
Of thy consequence  
Hell were nothing and there were no servants  
Blinded by success you were raised  
By thy preaching and science  
You were drowned in happiness and light

You thought what you are the he  
The marked one  
You are so glad and so pure you bear the light  
But Iscariot knew thy purpose  
And thy power shall gone
