She cries out to the dead  
Singing praise as they fell  
Resurrection from the grave  
An angel's kiss is what I crave

(An) angel's kiss is what I seek  
(To) feel her skin next to mine  
Resurrect me from my grave  
Take me back to see my crimes  
Take me back to what I was  
To undo all my crimes  
Follow me through my life  
Making good all my ways

Take me back to what I am  
Witness to all my crimes  
Follow her 'till the end  
Crying as I die again  
(An) angel's kiss is what I seek  
(To) feel her mouth next to mine  
Kiss me now before I die  
Take my hand and lead the way

Let me live my life again  
Living for eternity  
Amending my fallen ways  
Letting sorrow turn to joy

Been searching for an angel  
But been looking for some sin  
(Her) face is clear/pure as the purest/clearest water  
(Her) eyes as deep as the ocean sea

Want to take her and to love her  
Embrace her for eternity

Been searching for an angel  
But been looking for some sin  
(Her) face is clear/pure as the purest/clearest water  
(Her) eyes as deep as the ocean sea

(An) angel's kiss proves so cold

(To) hear her laugh in my soul  
(A) witness to more misery  
(An) angel's path is all I seek

Do we want to live forever  
Do we want to suffer more  
Do you want to live forever  
Do you want to suffer more
