Wars have scarred and punished  
This is our earth  
God's creation divided  
By our laws  
Man will take  
Does not give  
Death upon the cross  
Look what we have learnt

Beyond Jerusalem  
Abode of heaven  
Beyond Jerusalem  
Sins to crucifixion

Death released us  
From our sins  
God's creation divided  
By it's sins  
Man decides

Greed's his life  
Bearing no cross  
For our conscience pays

Beyond Jerusalem  
Abode of heaven  
Beyond Jerusalem  
Cycle of the heavens
