Pain,  
Life causes pain  
Dreams are my gain  
Lost to the few  
Scream out the shame  
Lost out on life  
I have no choice  
Infected fate  
Lost to the grave  
Life,  
Life is a game  
Dreams turn to shame  
Lost out in time  
Scream out the pain  
Lost out of life  
Have no rights  
Pray to be free  
Lost to the grave  
If God really loved me  
Take me in his arms  
Cradle me to heaven  
And take away the pain  
An outcast redeem me  
Protect me from this sin  
Cradle me in heaven  
And take away the shame  
Reasons flood in the rain  
Whispers turn out again  
Banished to be alone  
I see the pain inside grow  
Hatred is what they wage  
Blood reaks of disease  
Banished to be alone  
I see the pain inside grow  
You made me pay  
Watching my life slip away  
My life now fades  
My body wretched, wastes away  
Innocent - I rot away  
Wasted - You turn away
