

## **Cerebral Fix**

# **"Enter The Turmoil"**

Visit "[Enter The Turmoil](#)" on MotoLyrics.com

Battles have raged (and) man has sought  
Starts crippling, resembles no thought  
Answers to limbo, new age of death  
Man steps backwards and enters the pit

Burning heat (and) darkness grew  
Plagues (and) disasters, sorrow will tell  
Enter the turmoil, the final step  
Man's damnation enters the pit

Enter the turmoil...

Battles have raged (and) man has sought  
Starts crippling, resembles no thought  
Answers to limbo, new age of death  
Man steps backwards and enters the pit

Burning heat (and) darkness grew  
Plagues (and) disasters, sorrow will tell  
Enter the turmoil, the final step  
Man's damnation enters the pit
