Visit "[Injecting Out](#)" on [MotoLyrics.com](https://MotoLyrics.com)

Feel the pinch, it's deep inside  
Traveling through at speed of light  
Looking back through my brain  
Memories pass relate to time

Seeing nothing and feeling pain  
Pressure relates to my brain  
Trying to think the passage of time  
Saying nothing eternal pain

Time has come the sweetness dry  
Told you nothing, it's all a lie  
It's time to shake and realize  
Nothings different it's time to die

Holding out and taking back  
Receiving in, nothing lasts  
Feel the rush smile tonight  
Turn my eyes, it's time to die

Forced to be one  
Accepted in the blood  
Smile to receive  
It won't happen to me

Forced to be one  
Accepted in the blood  
Smile to receive  
Nothing better but to please
