Heavenly bodies
Evolve the earth
Crystal shell encases

Sphereborn
Creation
New world is born

Darkness
Takes all life
Man's self-destruction

Sphereborn
Creation
New world is born

Time will come... and man will die
Time's will change... and man will pay

Sphereborn
God's own creation
Time will come
Man's self-destruction
Sphereborn

God's own creation
Time will change
Man's self-preservation

Existence depends upon our choice
To save the world and channel it's voice
To touch our thoughts or return us to dust
The future of the earth
Depends on us

Heavenly bodies
Evolve the earth
Crystal shell encases

Biosphere
Contains all life
Man's self-preservation
