The First Fall Will Bless The Snake  
Awaiting A Life Of Pain  
So Frail It Sits Upon The Leaves  
Awaiting Winter's Beginning

Another Rose Another Kiss  
Touching Tongues With A Serpent  
Night Falls Quick Upon The Day  
Scales Of Green Turn To Grey

Life Is Damned In The Dark Of Night  
A Body So Cold Holds The Burning Eyes  
Embracing A Serpent's Kiss

Witches Burn Upon The Stake  
Under Devil's Night & The World Of Cain  
This Pain I Did Not Wish

A Serpent's Kiss
