"Darkness & War"

I am Immortal

I Stand Alone

Thy Legions Falling

Thy Kingdom Come

The Flesh Has Risen

The Gate Of Light Is Sealed

Your Mourning Era

Touches Velvet Steel

All Rise For...

All Stand For...

All Hail For...

All Bleed For...

Darkness & War

All Hail The Bringer Of Death

The Fields Are Stained

With The Blood Of Mortals

& All Burns

Hail! Hail! Hail!

Darkness & War
