"In Nomine Patri, In Nomine Redemptor, In Nomine
Satani

Ego Renuo Thee, Ridimio Ego Revera
In Nomine Rex Regis, Ego Apello Bellum
In Nomine Patri, Ave Exordium, Ave Mortis"

I am The Devil & The Devil Is Me
For The Only Devil In Existence Is Man
We Are What We Are If We Are Free
Otherwise Slaves To The Holy Hand
I am The Savior & The Savior Is Me
If You Believe There Is A Savior At All
I'll Sell My Soul Because Nothing Is Free
To See The Celebration Of Salvation's Fall

I am The Prophet & The Prophet Is Me
Listen To The Words That I Speak
Our Lives Consist Only Of Hypocrisy
Because The Minds Of Mass Are So Narrow & Weak
I am The Father & The Father Is Me
Inside Us Lies The Choices That We Make
Close Your Eyes, Only The Blind Can See
The True Filth Spawned By Our Race
