Bred For Bloodshed & Brutality  
By Sunrise You Shall Rape & Ravage This Land

A Bestial War Orgy To Purify Man  
Kneel To My Hatred & Worship My Every Command

Slaughter All In The Name Of My Mastery  
Impale Thy Venom Throughout Innocent Lands

Your Purpose Is To Spread Thy Disease  
All Hail My Misanthropic Glory

Follow The Path Of Blood, Destroy All Who Oppose  
Exterminate The Curse Of Humanity, Life Expires Now!

March On - Begin The Dawn Of My Tyranny  
March On - & Defeat All Rivalry  
March On - Within My Orders; Your Eternity  
March On - My Human Slave Infantry

... My Human Slave Infantry...
