Gathered Under Sweet Eve  
May We Be Blessed', Veiled & Secluded  
Hollow In Heart, Strong In Mind, Faded With Spirit  
Sheltered Within These Woods... Like Mother...  
Bewitched

A Fire Burns With A Devil Inside  
Under The Spell Of The Witches' Eye  
Nothing But This Night To Live For Now  
Turn, Turn, Fall... Burn!

The Scent Of Flesh Will Smother The Skies  
As She Strengthens The Coven With Her Cries  
Nothing But This Night - As Her Body Departs This Life  
Higher - Higher - Praise Her Fire!

Tonight - Inside - Tonight - We Welcome Witchery

We Are As One Under The Dagger  
We Are Saints As Snakes Within This Circle  
We Are True Devotion Sworn Together In Blood  
We Wear The Mark - Life From A Dying One

Tonight - Inside - Tonight - We Welcome Witchery
