I command thee spirit,  
Fly out from me  
Strike forth upon Salem  
From this town may god flee

I have seen the night  
I have seen the shadows  
In the wood where they dance  
With the devil  
I have seen the crow  
I have seen the blood  
Bleeding into a book of black  
I have seen the witch  
I have seen her naked  
Conjuring her spells in the dark of night  
I have seen the moon  
I have seen the sun  
As they combine into one another

Fly my spirit  
Cast shadow into dreams  
Curse the names of the holy  
Let hell ride they wings

I have seen the night  
I have seen the shadows  
In the wood where they dance  
With the devil  
I have seen the crow  
I have seen the blood  
Bleeding into a book of black  
I have seen the witch  
I have seen her naked  
Conjuring her spells in the dark of night  
I have seen the moon  
I have seen the sun  
As they combine into one another

Sickened be those of the light  
Tainted excuse of human life  
Set fire unto the flock this night  
Blessed be horns that rise
