Become A Prophet Of The Shadows  
Become An Oracle Of Thyself

Through Forever

We Have Withstood The Sands Of Endless Time  
The Coldest Winds Of Nothing And The Moon That  
Never Shines  
The Darkest Sun That Has Hardly Come To Rise  
And The Births Of Tragedy That Enhance Our  
Senseless Cries

We Will Journey To The Highest Of The Lands  
The Deepest Of The Oceans and The Farthest Of The  
Sands  
Throughout The Day, Into The Night Upon The Cold  
Outlasting The Flame Which Burns Within The Soul  
We Will Travel Far Beyond Eternity  
Under The Moon, Under The Stars, Searching For Our  
Destiny  
We Will Run Without A Trace, Without A Breath  
Our Journey Through Forever Is Our Journey After Death

We Have Withstood The Winter's Dire Cold  
The Summer's Heat And The Autumn's Wind So Bold  
Spring Brought Forth The Rain Which Dampened All The  
Earth  
And Now A New Season Will Lift Us Of Life's Curse

We Thee Deceased Are Thee That Shall Not Die  
We Thee Deceased Are Thee Who Art Alive

Hear The Last Wish Of The Dying  
Hear The First Wish Of The Dead

Become A Prophet Of The Shadows  
Become An Oracle Of Thyself

We Have Withstood The Searching Scythe Of Death  
The Jaws Of Carrion And Winter's Chilling Breath  
Immortality Is The Path Which Lies Ahead  
The Journey Through Forever Is The Journey Of The

Dead
