"Unleashed Hordes Of Fire And Steel
Unite And Attack!

Open The Gates Thy Legions Of Fire
The Warlords Of Eternal Damnation
Unleashed Hordes Of Fire And Steel
Redemption For A Thousand Years

The Prophecies Of Chaos Has Come
Earth: A New Domain Of Flames
Flesh Under Moon, Flesh Under Sun
War Among The Worlds

The Dark Bringer Of Sorrow Has Come
Sweet Nectar Of The Gods Undone
A World Of Salvation To A World Of Tears
Redemption For A Thousand Years

Legions Unite On This Sacred Eve
Show No Mercy For Those Who Deceive
Let Our Calvaries Of Fire Reign
And The Bodies Deceased Brighten Our Flames
