She... The Serpentine, Of My Dreams  
She Is Sin...  
A Slithering Witch, A Serpent Queen  
Her Venom Is Seduction

Before Her I Bow, Submitted To Charm  
Accepting A Kiss, From Her Poisoned Tongue  
Let Us Walk Together, In Your Valley Forever  
Entwined As One!

In The Valley Of Snakes - She Is Lord

So Let The Children Come To Me  
To Feed Upon The Veins Of Blasphemy  
In Her World Of God-like Eyes  
She Becomes My Bride Entwined

Now Let The Poison Enter My Veins  
& Leave My Lips Blood-stained  
Surrender Your Body To Me  
Let Me Join In This Flesh Feast

Praise Be The Blood Of The Serpent!

So Let The Children Come To Me  
To Feed Upon The Veins Of Blasphemy  
In Her World Of God-like Eyes  
She Becomes My Bride Entwined

In The Valley Of Snakes - She Is Lord
