When Night Falls Forever Inside My Heart

I Will Live No Longer, Until The Night Has Come

This Night Has Come Fore Me

Forgotten Legacy

The Light No Longer Shines

No Burden To My Eyes

My Soul Wil Become Aflame

A VictemTo Desire's Game

& When You Open Your Eyes

You Will Witness The Light's Demise

Come Now, Take My Hand In Vein

Without Light There Is No Shame

These Skies Will Take Their Flight

Embraced By Mother Night
