Turn down the radio, turn down the radio
Lets let this silence tell us where to go
Listen with heart and soul, listen heart and soul
Like I should have done so many years ago

Oh oh what a feeling
I'm alive and wild and
About to fly through the ceiling
To another world to another world

I live in a stereo, live in a stereo
Now that I journey with an open soul
And all of the letting go, all of the letting go
Is necessary for my healing heart to grow
