Once upon a time you were my friend  
Recent, though I know it feels like ages  
Said we'd be together, 'til the end  
Well come on back babe this is just a phase

Funny how the time, it ticks on by  
Seconds I been losing when we use to fool away  
I hope you feel the same when your just waiting, for me  
To beg u to stay

Take a look inside I'm beggin' you  
Daring you to change your mind  
I know you'd say you'd try  
But again I'm beggin' you  
Baby change ur mind  
I'm beggin' you
