Once upon a time you were my friend
Recent, though I know it feels like ages
Said we'd be together, 'til the end
Well come on back babe this is just a phase

Funny how the time, it ticks on by
Seconds I been losing when we use to fool away
I hope you feel the same when your just waiting, for me
To beg you to stay

Take a look inside I'm beggin' you
Daring you to change your mind
I know you'd say you'd try
But again I'm beggin' you
Baby change your mind
I'm beggin' you
