Me and you

Can I get your attention please?
It's just that lately I can't sleep
In fact I just can't seem to think about anyone but you
Every time you walk my way
I melt and search for things to say
Just grab my hand let's get away
Oh oh
Just me and you

Please I don't wanna waist this moment
Yeah, it feels so good I can taste it
Don't you wanna take this some other place where we
can be alone and
Oh

Please I don't wanna waist this moment
Yeah, it feels so good I can taste it
Don't you wanna take this some other place where we
can be alone and
Oh

Just me and you

Oh

Please I don't wanna waist this moment
Yeah, it feels so good I can taste it
Don't you wanna take this some other place where we
can be alone and
Oh

Just me and you
