I don't talk
I don't think
I don't walk
I don't leave but I don't stay
Don't always wanna make the same mistake

I can't stop
I can't go
I can't relax
Can't be alone
And when I listen to the music
I don't know I just confuse it
I get turned around

And I'm runnin'
And I'm runnin'

I can sound all the words in my head but they got no
soul
What I'm trying to say's getting stuck but I get so close
And I'm out of time to let you know
I'm songless

I don't talk
I don't think
I don't walk
I don't leave
But I don't say

I can't stop
I can't go
I can't relax
Can't be alone
And when I listen to the music
I don't know I just confuse it
I get turned around

And I'm runnin'
And I'm runnin'
