Chorus:

First I let my wheels spin
then I let my screen fall
then I let my trunk beat
then I, then I let my trunk beat
First I let my wheels spin
then I let my screen fall
then I let my trunk beat
then I, then I let my trunk beat
First I let my wheels spin
then I let my screen fall
then I let my trunk beat
then I, then I let my trunk beat
First I let my wheels spin
then I let my screen fall
then I let my trunk beat
then I, then I let my trunk beat

Verse 1:

First I let my trunk beat
ridin through the city mane
my goon squad wit me
black tee's and a fitted thang
joccin on dem haters
jo-jo-joccin on dem haters
u want problems i'll resolved em
when i poppin at u haters
soon i step on the scene
see niggaz start muggin mean
I got gangstaz on my team
and you don't wanna see the beam
if u ever lookin for me
you can find me in the street
in a ol' school chevy
(then I, then I let my trunk beat)
the bass real heavy
Mr. Whip Game Proper
Mr. Whip Game, Whip Game
hittin switches, switch lanes
probably with your broad
in my car
don't trip mane
I'm real as it gets mane

I tell ya don't flip mane
CrossTown Bound
where I'm found, ask around
we can meet in the street
I'll let that trunk beat
I said CrossTown Bound
where I'm found, ask around
we can meet in the street
(then I, then I let my trunk beat)

Chorus:

First I let my wheels spin
then I let my screen fall
then I let my trunk beat
then I, then I let my trunk beat
First I let my wheels spin
then I let my screen fall
then I let my trunk beat
then I, then I let my trunk beat
First I let my wheels spin
then I let my screen fall
then I let my trunk beat
then I, then I let my trunk beat
First I let my wheels spin
then I let my screen fall
then I let my trunk beat
then I, then I let my trunk beat

Verse 2:

The bass real heavy
it's hard to stay steady
you want me, come get me
it's whatever dog man I'm ready
the O.G.'s wit me
the gangsta's got my back
the D-Boyz ridin
you done dog it's a wrap
I'll blow ya off the map
throw you back in the hood
where you started
man regardless, I'm the hardest
you retarded
whe the bass hit your eardrum
I'm comin down the street
I'ma crank it up a lil
(then I, then I let my trunk beat)
you a busta, you a fake,
you a snitch, you a lame
go play somewhere else
cause you ain't ready for the game
this a big dog sport
puppy get up off the court
been in the game all quarters

and you still ain't scored
you can't handle all the pressure
and that's why you ain't playin
when them busta's came after you
remember nigga you ran
I'm a G till the end
you can find me in the street
probably lettin up the trunk
(then I, then I let my trunk beat)

Chorus:

First I let my wheels spin
then I let my screen fall
then I let my trunk beat
then I, then I let my trunk beat
First I let my wheels spin
then I let my screen fall
then I let my trunk beat
then I, then I let my trunk beat
First I let my wheels spin
then I let my screen fall
then I let my trunk beat
then I, then I let my trunk beat
First I let my wheels spin
then I let my screen fall
then I let my trunk beat
then I, then I let my trunk beat

Verse 3:

I'm Certified
betcha know me
All\$tar boy
but I stay low-key
ya know where I'm at
CrossTown Bound
8th Street King
nigga where's my crown
been holdin it down
the past 6 years
alot sacrifices
shed blood, sweat, and tears
I ain't hard to find
I stay in the street
parked in the back
(then I, then I let my trunk beat)
T.M.T. come mess wit ya boy
S.O.S. come mess wit ya boy
G.M.C. come mess wit ya boy
forget Damon G
it ain't about you no more
C-Note J.R. come mess wit ya boy
R-Bizzy come mess wit ya boy
my niggaz Street Fam come mess wit ya boy

mess wit ya boy

mess wit ya boy

Chorus:

First I let my wheels spin

then I let my screen fall

then I let my trunk beat

then I, then I let my trunk beat

First I let my wheels spin

then I let my screen fall

then I let my trunk beat

then I, then I let my trunk beat

First I let my wheels spin

then I let my screen fall

then I let my trunk beat

then I, then I let my trunk beat

First I let my wheels spin

then I let my screen fall

then I let my trunk beat

then I, then I let my trunk beat

First I let my wheels spin

then I let my screen fall

then I let my trunk beat

then I, then I let my trunk beat

First I let my wheels spin

then I let my screen fall

then I let my trunk beat

then I, then I let my trunk beat

First I let my wheels spin

then I let my screen fall

then I let my trunk beat

then I, then I let my trunk beat

First I let my wheels spin

then I let my screen fall

then I let my trunk beat

then I, then I let my trunk beat
