Everybody's talkin' at me, I can't hear a word they're  
sayin'

Only the echoes of my mind  
People stoppin' starin', I can't see their faces  
Only the shadows of their eyes

I'm goin' where the sun keeps shinin', through the  
pourin' rain

I'm goin' where the weather suits my clothes  
Backin' off of the northeast wind and sailin' on a  
summer breeze

Trippin' over the ocean like a stone

I'm goin' where the sun keeps shinin' through the  
pourin' rain

I'm goin' where the weather suits my clothes  
Backin' off of the northeast wind and sailin' on a  
summer breeze

I'm trippin' over the ocean like a stone, like a stone

Everybody's talkin' at me
