Before you take another step  
There's something you should know  
About the years ahead and how they'll be  
You'll be living in a world  
Where roses seldom ever grow  
Darling all I have to offer you is me CHORUS  
They'll be no mansions waiting on the hill with crystal chandeliers  
And they'll be no fancy clothes for you to wear  
Everything I have is standing herein front of you to see  
All I have to offer you is me Sweetheart I'll give you all  
my love in every way I can  
Just make sure that's what you want while you're still  
free  
Because the only gold I have for you  
Is in this wedding band  
Darling all I have to offer you is me
