I look at you and I remember  
The way I felt on the day we met  
That same old feeling washes over me  
It's hard to forget

Nothing has ever changed for me babe  
Nothing changes for you  
I still want you just as much as I did  
When I said, "I do"

I'm still wrapped up in that ring around your finger  
Without you, baby, I would be lost  
I'm telling you the truth I'm still  
As much in love with you as I always was

I'm a slave to your every desire  
I worship the ground where you walk  
I'm telling you the truth I'm still  
As much in love with you as I always was

You still stir up that old desire  
I can feel it now as we speak  
Nothin' I ever felt before prepared me  
For a love this deep

Yeah, I'm still crazy about you, baby  
In my heart and in my soul  
Yeah, I'm still mesmerized  
By two brown eyes and a band of gold

I'm still wrapped up in that ring around your finger  
Without you, baby, I would be lost  
I'm telling you the truth I'm still  
As much in love with you as I always was

I'm a slave to your every desire  
I worship the ground where you walk  
I'm telling you the truth I'm still  
As much in love with you as I always was

Oh, I'm telling you the truth I'm still  
As much in love with you as I always was

Always was, always was  
As I always will
