If you got a problem, don't care what it is  
You need a hand, I can assure you of this, I can help  
I got two strong arms, I can help  
It would shore do me good to do you good, let me help

It's a fact that people get lonely ain't nothing new  
But a woman like you baby should never have the blues  
Let me help take a tip from me, I can help  
It would shore do me good to do you good, let me help

When I go to sleep at night you're always a part of my  
dreams  
Holdin' me tight and tellin' me everything I wanna hear

So, don't forget me baby all you gotta do is call  
You know how I feel about you if I can do anything at  
all, let me help  
If your child needs a daddy, I can help  
It would shore do me good to do you good, let me help

When I go to sleep at night you're always a part of my  
dreams  
You're holdin' me tight and tellin' me everything I  
wanna hear

So, don't forget me baby all you gotta do is call  
You know how I feel about you if I can do anything at all  
let me help  
If your child needs a daddy, I can help  
It would shore do me good to do you good, let me help  
It would shore do me good to do you good, I can help
