I've built a million raving beauties out of pure make-believe

Hopin' my imagination might run away with me

Thought I'd pictured every vision that a man could dream about

Till you walked through those swinging doors

And stepped down off that cloud

What's an angel like you doing in my wildest dreams?

A walkin', talkin', lovin' fantasy

Did you come here tonight just to rescue me?

What's an angel like you doing in my wildest dreams?

I thought I'd died and went to heaven when you sat down next to me

Lord, and I said to myself this is too good to believe

You look like you belong in a Sunday school choir

Instead of in this honky tonk settin' me on fire

What's an angel like you doing in my wildest dreams?

A walkin', talkin', lovin' fantasy

Did you come here tonight just to rescue me?

What's an angel like you doing in my wildest dreams?

Are you just wishful thinkin', a figment of my mind?

I'll worry about that tomorrow, right now it's closing time

What's an angel like you doing in my wildest dreams?

A walkin', talkin', lovin' fantasy

Did you come here tonight just to rescue me?

What's an angel like you doing in my wildest dreams?
