Right now gonna take you in my arms
Hold you closer and tighter than I ever have
I'm gonna say all the things that I thought could wait
Now I realize that later could be a little too late

Baby let's love like there's no tomorrow
(Love)
Live for every moment, laugh at least a little everyday
If we see the sun rise in the morning, is impossible to
say
So let's love
(Let's love)
Like there's no tomorrow
(No tomorrow)
Today

From now on every time we kiss
It's gonna mean so much more when I touch your lips
When I give myself to you baby I won't hold nothin'
back
'Cause there's nothin' I wouldn't give to make every
minute last

Baby let's love like there's no tomorrow
(Love)
Live for every moment, laugh at least a little everyday
If we see the sun rise in the morning, is impossible to
say
So let's love
(Lets tomorrow)
Like there's no tomorrow
(No tomorrow)
Today

Baby let's love like there's no tomorrow
Live for every moment laugh at least a little everyday
(Every moment)
If we see the sun rise in the morning, is impossible to
say
So let's love
(Baby let's love)
Like there's no tomorrow

(No tomorrow)

Today

Oh baby let's love

(Lets love)

Like there's no tomorrow

(No tomorrow)

Today
