Roll On

Roll on highway, roll on along
Roll on daddy till you get back home
Roll on family, roll on crew
Roll on momma like I asked you to do
And roll on eighteen-wheeler roll on (roll on)

Well it's Monday morning, he's kissin' momma
goodbye
He's up and gone with the sun
Daddy drives an eighteen-wheeler
And he's off on a midwest run
As three sad faces gather 'round momma
They ask her when daddy's comin' home
Daddy drives an eighteen-wheeler
And they sure miss him when he's gone (yeah they do)

Ah, but he calls them every night and he tells them that
he loves them
He taught them this song to sing

Roll on highway, roll on along
Roll on daddy till you get back home
Roll on family, roll on crew
Roll on momma like I asked you to do
And roll on eighteen-wheeler, roll on (roll on)

Well it's Wednesday evening, momma's waitin' by the
phone
It rings but it's not his voice
Seems the highway patrol has found a jack-knifed rig
In a snow bank in Illinois

But the driver was missin' and the search had been
abandoned
For the weather had everything stalled
And they had checked all the houses and the local
motels
When they had some more news they'd call
And she told them when they found him to tell him that

she loved him
And she hung up the phone singin'

Roll on highway, roll on along
Roll on daddy till you get back home
Roll on family, roll on crew
Roll on momma like I asked you to do
And roll on eighteen-wheeler roll on

Momma and the children will be waiting up all night
long
Thinkin' nothing but the worst is comin'
With the ringin' of the telephone
Oh, but the man upstairs was listening
When momma asked him to bring daddy home
And when the call came in it was daddy on the other
end
Askin' her if she had been singin' the song, singin'

Roll on highway, roll on along
Roll on daddy till you get back home
Roll on family, roll on crew
Roll on momma like I asked you to do
And roll on eighteen-wheeler

Roll on highway, roll on along
Roll on daddy till you get back home
Roll on family, roll on crew
Roll on momma like I asked you to do
And roll on eighteen-wheeler, roll on (roll on)

Eighteen-wheeler
Eighteen-wheeler
Eighteen-wheeler
Eighteen-wheeler
Roll on
Roll on
Roll on
Roll on
