This street that we live on  
Ain't no yellow brick road  
And this pay check that I bring home  
Sure ain't no pot of gold

When people dream  
They don't wish they were crooks  
They don't know  
We've got more than enough

Somewhere under the rainbow  
Watchin' the late show  
And livin' on love

Dancin' slow to the radio  
Jus' holdin' on  
Somewhere under the rainbow

Some folks spend there whole lives  
Dreamin' 'bout the other side  
Well there ain't never far  
And those old blue birds fly

But I'll take forever  
Were the sky's aren't always blue  
'Cause when I'm in your arms  
I know dreams come true

Somewhere under the rainbow  
Watchin' the late show  
Livin' on love

Dancin' slow to the radio  
Just holdin' on  
Somewhere under the rainbow  
(Somewhere under the rainbow)  
Yes watchin' the late show  
And livin' on love

And dancin' slow to the radio  
Jus', holdin' on  
Somewhere under the rainbow

(Somewhere under the rainbow)
