Now Daddy didn't like trouble, but if it came along  
Everyone that knew him knew which side that he'd be  
on

He never was a hero, or this county's shinin' light  
But you could always find him standing up  
For what he thought was right

CHORUS

He'd say you've got to stand for something or you'll fall  
for anything

You've got to be your own man not a puppet on a string  
Never compromise what's right and uphold your family  
name

You've got to stand for something, or you'll fall for  
anything

Now we might have been better off or owned a bigger  
house

If Daddy had done more givin' in or a little more  
backing down

But we always had plenty just living his advice  
Whatever you do today you'll have to sleep with tonight

CHORUS

Now I know that things are different than they were in  
Daddy's days

But I still believe what makes a man really hasn't  
changed

CHORUS
