Now daddy didn't like trouble, but if it came along
Everyone that knew him knew which side that he'd be
on
He never was a hero, or this county's shinin' light
But you could always find him standin' up for what he
thought was right

He'd say you've got to stand for somethin' or you'll fall
for anything
You've got to be your own man, not a puppet on a
string
Never compromise what's right and uphold your family
name
You've got to stand for something or you'll fall for
anything

Now we might have been better off or owned a bigger
house
If daddy had done more givin' in or a little more backin'
down
But we always had plenty just living his advice
Whatever you do today, you'll have to sleep with
tonight

He'd say you've got to stand for something or you'll fall
for anything
You've got to be your own man, not a puppet on a
string
Never compromise what's right and uphold your family
name
You've got to stand for somethin' or you'll fall for
anything

I know that things are different than they were in
daddy's days
But I still believe what makes a man really hasn't
changed

You've got to stand for something or you'll fall for
anything
You've got to be your own man, not a puppet on a
string

Never compromise what's right and uphold your family
name
You've got to stand for something or you'll fall for
anything
You've got to stand for something or you'll fall for
anything
