It's O.K.

(Written by Keith Thomas and BeBe Winans)

(Recorded by BeBe & CeCe Winans)

Verse 1:

Maybe we can talk it over
And save our hopes and dreams.
Though the waves seem endless,
Somehow we'll cross this angry sea.

With love all things are possible,
If we just believe.

Chorus 1:

I need to know, (yes, its' okay).
Can I hurdle this storm, (yes, but only together).

With love in our hearts, (the only way),
Somehow things will work out just you wait and see.

Verse 2:

See, real life confrontations
Caused our vows to break,
But I learned the word forgiveness,
Can with time, chase the pain away.

True love made our hearts inseparable,

If we just believe.

Chorus 2:

I need to know, (yes, its' okay).
Can I hurdle this storm, (yes, but only together).

With God in our hearts, (the only way),
Somehow things will work out just you wait and see.

Bridge:

But right now it hurts so bad and feels so bad,
But tomorrow waits with laughter,
If we endure the tears, then joy comes after.

Ending:

I need to know it's gonna be okay,
Can I hurdle this storm, (only together).
With love in our hearts, the only way,
And somehow I can feel love again,
Somehow things have worked out
'Cause You stayed with me.

I'm glad to know it's okay, it's okay.
