Chad And Jeremy
"If I Loved You"

Trees swayin' in the summer breeze

Showin' off their silver leaves

As we walked by

Soft kisses on a summer's day

Laughing all our cares away

Just you and I

Sweet sleepy warmth of summer nights

Gazing at the distant lights

In the starry sky

They say that all good things must end some day

Autumn leaves must fall

But don't you know that it hurts me so

To say goodbye to you

Wish you didn't have to go

No no no no

And when the rain

Beats against my window pane

I'll think of summer days again

And dream of you

They say that all good things must end some day

Autumn leaves must fall

But don't you know that it hurts me so

To say goodbye to you

Wish you didn't have to go

No no no no

And when the rain

Beats against my window pane

I'll think of summer days again

And dream of you

And dream of you
