I've a most unusual colouring book
The kind you never see
Crayons ready, very well
Begin to colour me

These are the eyes that watched her as she walked
away
Colour them grey
This is the heart that thought she would always be true
Colour it blue
These are the arms that held her and touched her then
lost her somehow
Colour them empty now
This is the tie I wore until he came between
Colour it green
This is the room I sleep in and walk in and read in
Hidin' that nobody sees
Colour it lonely please
This is the girl, the one I depended upon
Colour her gone
Colour her gone
Colour her gone
