Numbers don't exist in the world to come  
We find ourselves looking into empty mirrors  
He looks with saddened eyes upon His children  
Remove the scales from our eyes  
Your machinery holds no power  
In this battle of darkness and gore  
Only with the Spirit of God am I indestructible  
What a transformation, what a transformation

True strength lies in the heart of my Father  
Oh Lord that one man may destroy an army  
True strength is beautiful  
Like Samson and the Philistines:

"With the jawbone of an ass  
I piled them in a heap  
With the jawbone of an ass  
I have slain a thousand men"
