Just put on your mask and take your so called stage  
I bet you just love all the publicity  
Don't you? Don't you? Don't we all?

Hypocrisy!

Look where your polluted crimes have brought us  
Blood and tears, blood and tears  
What a shame, what a shame

You're just like the Pharisees of old  
Our beautiful Lord rebukes it  
And all I can do is offer you my prayers  
I find myself on my knees once again

We all know hollywood is gonna go up in flames  
"The hypocrite's hope shall perish"
