I hang my head in remorse and cover it with ash  
Oh, what a waste of existence if it is spent on regret  
Ears filled with the devil's whispers, am I too far gone?

Nonsensicality! nonsensicality!

Your delusions will get you nowhere, nowhere  
Your prayers do not go unheard

Now this is something I can dance too!!!

What is this grace? what is this grace?  
I have accepted Your sweet embrace  
The misconceptions are no more  
These obstacles are trampled underfoot!

Now this is something I can dance too!!!
