I'm so high, I can hear Heaven
I'm so high, I can hear Heaven
Oh but Heaven, no, Heaven don't hear me here

And they say that a hero could save us
I'm not going to stand here and wait
I'll hold on to the wings of the eagles
Watch as they all fly away

Someone told me love will all save us
But how can that be? Look what love gave us
A world full of killing and blood spilling
That would never have came

And they say that a hero could save us
I'm not going to stand here and wait
I'll hold on to the wings of the eagles
Watch as they all fly away

And now that the world isn't ending
It's love that I'm sending to you
It isn't the love of a hero
And that's why I fear it won't do

And they say that a hero could save us
I'm not going to stand here and wait
I'll hold on to the wings of the eagles
Watch as they all fly away

And they're watching us
(Watching us)
They're watching us
(Watching us)
As we all fly away

And they're watching us
(Watching us)
They're watching us
(Watching us)
As we all fly away, yeah
(Yeah)

And they're watching us
(Watching us)
They're watching us
(Watching us)
As we all fly away
Yeah, yeah, whoa
