[Chorus]

My eyes adored you
Though I never laid a hand on you
My eyes adored you
Like a million miles away from me
You couldn't see how I adored you
So close, so close and yet so far away

Carried your books from school
Playing make-believe you're married to me
You were fifth grade, I was sixth
When we came to be
Walking home every day over Barnegat Bridge and
Bay
Till we grew into the me and you

Who went our separate ways

[repeat Chorus]

Headed for city lights
Climbed the ladder up to fortune and fame
I worked my fingers to the bone
Made myself a name
Funny, I seem to find
That no matter how the years unwind
Still I reminisce about the girl miss
And the love I left behind

[repeat Chorus except last word 3x]
