All I want is one chance in a lifetime
Is it too much to ask for
Don't close all doors on this pretty face
I do pray, I must say invoking
Light on my life, please shine light on my life

CHORUS

Hey, just give me sunshine from your smile
It's all I need to make my life worthwhile
Just give me sunshine from your smile
From your smile, oh

All I want is one chance in a lifetime
Take everything I have but not her
'Cause everything has lost its value since I saw you
When will you know who I am
When will you know who I am

[Repeat CHORUS]

BRIDGE

And when this chance comes, I will ask for her hand
And if she doesn't let go then I'll know where I stand
In my dreams, we never part but I have to wake
And tell my heart that it was just a dream, another
dream

CHORUS

Hey, just give me sunshine from your smile
It's all I need to make my life worthwhile
Just give me sunshine from your smile
From your smile, oh

Just give me sunshine from your smile
It's all I need to make my life worthwhile
Just give me sunshine from your smile
From your smile, oh

Your smile
Your smile gives me sunshine
