[Verse 1]

Everybody gather round,
Youll never guess whos outta town,
Evrybody move your feet,
Its a great time for us to meet
Woah yeah a party in the street.

[Verse 2]

Everybodys jumpin around,
Dancing to a heavy beat sound,
Smoking crap drinkin sum bud,
Shouting loud like a raver should,
Woah yeah a party in the street.

[Chorus]

Yea yea yea yea a party in the street,
Yea yea yea yea,
Biggest party of the year,
No invitation just bring the beer,
Put your hands up in the air,
Jump around dont seem to care,
Woah yeah a party in the street,

[Verse 3]

All the lads on the pull,
Eyein up arses but their full of bull,
Is see you baby lookin at me,
Figuring out what maybe could be,
Woah yeah a party in the street,

[Verse 4]

All the lads tryin pop the cherry
Coz theyve seen the girls are so merry,
Party goes on into the night,
Theres no reason to start a fight,
Woah ye a party in the street

[Solo]

[Chorus]

Yea yea yea yea a party in the street,
Yea yea yea yea,

Biggest party of the year [X2]
No invitation just bring the beer,
Put your hands up in the air,
Jump around dont seem to care,
Woah yeah a party in the street.
